EXPERIENCE

Devlogix, Gujranwala — *React.js developer*

July 2024 - PRESENT

I am working as a remote intern at Devlogix. We are working on the HRM Automation System. I am working on a communication module with my team. My contribution is that I am working on the front end of the system.

Freelance — *Frontend web developer*

July 2024

I made a front-end website for a client. The website fulfilled the client's requirements. I used HTML CSS and JS for his website.
